

## MARRIED A MILLION AND KEPT IT SECRET

Landon J. Edwards Has Just  
Made Public His Quiet Wed-  
ding with Miss Meyers.

A little "ad." tucked away in a most  
inconspicuous way in a New York  
paper, has just unfolded the pretty  
romance of Landon J. Edwards and Caro-  
line F. Meyers, who were married with-  
out the formality of asking their friends  
at Philadelphia, N. Y., on Sept. 23. They  
have been keeping the facts secret ever  
since and enjoying the quietest honey-  
moon imaginable. After three weeks of  
such bliss they decided it was time to  
share the secret with their friends.

Until last summer it was thought that  
the heart of "Don" Edwards, whose  
family is one of the oldest and most  
prominent in Richmond, Va., could not  
be shaken by such a thing as love. He  
was the gayest of the gay at the Thou-  
sand Islands, and "they all looked alike  
to him" until Miss Meyers appeared.

Miss Meyers is heir to the estate of  
her father, whose farm lands and other  
wealth in St. Lawrence County, N. Y.,  
will aggregate something like a million  
dollars.

On the morning of Sept. 23 Edwards  
sought his fiancée and together they fled  
to the home of the Rev. J. M. Bar-  
rett at Philadelphia, N. Y., a hundred  
miles away. It was almost midnight  
when the paragon was reached and the  
minister blinked and nodded during  
the service. But they were married  
just the same. Mr. and Mrs. Edwards  
are in New York with the parental  
blessing. They will spend a few weeks  
in Hot Springs, Va., before going to  
Royal Palms, Miami, Fla., for the  
winter.

## COURT ATTENDANT RUSH IS DEAD.

He Served Thirty-eight Years  
and Was Popular with Bench,  
Bar and the Public.

Peter Rush, for thirty-eight years an  
attendant in the courts of this city, is  
dead at his late home, No. 49 Park ave-  
nue. Mr. Rush was born in Ireland, but  
came to this country when a child, with  
his father, who served as baggageman  
for many years on the old Harlem  
Railroad.

The younger Rush moved to Manhat-  
tan nearly fifty years ago, and soon af-  
ter his arrival joined the County De-  
mocracy, then led by Maurice Power  
and William R. Grace. Rush became a  
leader in the old Twenty-seventh As-  
sembly District, which now comprises  
the Twenty-seventh and Twenty-ninth  
districts. He was afterwards made a  
court attendant and served until his  
death.

Funeral services for Mr. Rush will be  
held at 10 o'clock to-morrow morning  
at his late home and mass will be said  
for him earlier in the day at St. Pat-  
rick's Cathedral.

## DOWN SHAFT TO DEATH.

Newark Newspaper Man Killed in  
St. Louis Hotel.

ST. LOUIS, Mo., Oct. 15.—John L.  
Young, a local newspaper man, whose  
home is at Newark, N. J., was killed  
shortly before midnight by falling down  
the elevator shaft at the Planters Hotel.  
He was in company with Lieut. J. P.  
J. Ryan, of the United States Navy,  
and was waiting for the elevator acci-  
dently pushed against the safety grating  
which opened, it is said, and he fell  
three stories, dying instantly.

## MARTIN HARVEY PRAISES AMERICA.

The English Actor, Just Arrived,  
Says It Is a Pleasure to Act  
Here.

And now comes Martin Harvey from  
"dear old London," where they're con-  
tinually harping on "the American in-  
vasion."

"There do seem to be a lot of us in  
town just at present," confessed the  
English actor, who, at the Herald  
Square Theatre on Monday night next  
will make his first American appearance  
as a star in "The Only Way."

### A Pleasure to Act Here.

"Why are so many of the younger  
and lesser-known English actors cross-  
ing the water?" repeated the imported  
Sidney Carton. "Because conditions are  
more propitious than have been in  
perhaps the best answer. Methods of  
English actors and English plays are  
becoming better known and better ap-  
preciated. Then, too, American au-  
diences are so much more responsive  
than English theatre-goers that it is a  
pleasure and an inspiration to act here."  
"I think, however," recurring to the  
matter of invasion, "that England is  
giving no more than she is taking.  
Never before have there been so many  
American companies playing in Lon-  
don, and never before have they met  
the support and approval they are now  
receiving. The explanation of this, to  
my mind, is found in the growth of  
the theatre-going public of England and  
its rapidly increasing familiarity with  
American affairs and American people."

### Eager for American News.

"A few years ago English newspapers  
paid little attention to American news.  
It was condensed into short paragraphs  
and all but buried in the mass of  
European news. Now, even the pro-  
vincial papers print an American letter  
regularly, with the result that interest  
in American matters has been greatly  
stimulated."

"Therefore it might be said that the  
popularity of the American actor in  
England is owing largely to the evolu-  
tion of the English newspaper. As a  
result of this evolution, the English  
people have grown broader and more  
cosmopolitan."

Mr. Harvey says that the dramatic  
version of Dickens' "Tale of Two  
Cities," in which he is to appear, is  
identically the same as that played by  
Henry Miller and Edward Morgan.

### DRUMMER'S HOME.

BINGHAMTON, N. Y., Oct. 15.—The  
annual meeting of the Commercial Trav-  
ellers' Home Association of America was  
held in this city. George F. Swi-  
gert, of Carbondale, Pa., was re-elected  
president, and W. A. Rully, of Albany,  
re-elected secretary and treasurer. John  
C. Hoxie, of Utica, was elected a mem-  
ber of the Board of Managers.

## BACK ACHE CLOUDY URINE

Are caused by a weak, unhealthy  
condition of the Kidneys, which  
will prove fatal if not  
attended to.

Read the unsolicited testimonial of Mr. C.  
W. Dunn, of Syracuse, who was cured by  
Warner's Safe Cure.

A TRIAL BOTTLE OF THIS, THE  
ONLY ABSOLUTE CURE FOR DISEASES  
OF THE KIDNEYS, LIVER, BLADDER  
AND BLOOD, SENT FREE, POSTPAID, TO  
ANY READER OF EVENING WORLD.

Mr. C. W. Dunn, for a number of years a  
United States detective, who lives at 217  
Cayuga street, says: "During the early part  
of last year my kidneys became weak.  
I had pains in my back, my urine became  
yellow and muddy, my skin and the whites  
of my eyes turned a sickly yellow. My  
mother advised me to use Warner's Safe  
Cure, as it had cured my father of serious  
kidney and bladder troubles several years  
ago. I purchased a bottle, and when I  
had taken about three-quarters of it I felt  
a change come over me, my urine was its  
natural color and I did not have pain in  
my back. I had taken the whole bottle I was completely  
cured. I have had no pains in my back and  
my appetite is good. I will never be with-  
out a bottle of your valuable medicine in  
the house. I heartily recommend it to any  
one who is troubled with weak and un-  
healthy kidneys."

### IF IN DOUBT MAKE THIS TEST

Put some urine in a glass; after it stands  
24 hours if you find a reddish sediment  
in it, or particles floating in the  
urine, or if it is cloudy, you will know  
your kidneys are in a diseased condition  
and are unable to perform their work. The  
result will be bladder and urinary or-  
gans will become inflamed, uric acid will  
poison the blood, the stomach will become  
affected and unable to digest the food, the  
system will become weak and the result  
will be a breakdown of the general health,  
with Bright's disease or diabetes, which  
will prove fatal if not treated with prompt-  
ness and care.

### WARNER'S SAFE CURE

will purify and strengthen the kidneys and  
enable them to do their work; it will cure  
pains in the back, rheumatism, rheumatic  
fever, diabetes, Bright's disease, uric acid  
poison, eczema, jaundice, inflammation of  
the bladder and urinary organs, and restore  
the patient's health and vigor.

Warner's Safe Cure has often been sufficient  
to cure cases of kidney diseases when the  
simple home test described above has been  
made in the earlier stages of the disease.

### Warner's Safe Cure is what you need.

You can buy it at any drug store, two  
sizes, 50 cents and \$1.00 a bottle. Be sure  
you get Warner's Safe Cure, substitutes  
contain dangerous drugs. There is no  
"too good" as Warner's Safe Cure.

Warner's Safe Cure is purely vegetable  
and contains no narcotics, or harmful  
drugs. (Beware of so-called kidney cures  
which are full of opium and of bad odor,  
they injure the system.) "Safe Cure" does  
not constipate; it is a most valuable and  
effective tonic; it kills the disease germs;  
it is a stimulant to digestion and awakens  
the torpid liver.

### Warner's Safe Cures move the bowels

gently and aid a speedy cure.

### TRIAL BOTTLE FREE

To convince every sufferer from diseases  
of the kidneys, liver, bladder and blood  
that Warner's Safe Cure will cure them, a  
trial bottle will be sent absolutely free,  
postpaid, also a valuable medical booklet,  
which tells all about the diseases of the  
kidneys, liver, bladder and blood, and a pre-  
scription for each disease, and many of the  
thousands of testimonials received daily  
from grateful patients who have been cured  
by Warner's Safe Cure. All you have to  
do is to write to the publisher, 100  
Rochester, N. Y., and mention having read  
this liberal offer in Evening World. The  
contents of this offer is fully guaran-  
teed by the publisher.
